As a predominately Internet based Company we are able to keep our overheads to a minimum, which is good news for you, as it means we can keep our prices fantastically low!

The mouldings are available in a wide range of widths and profiles which are all shown in the brochure and on our website, but when necessary sample pieces can be supplied.

Orders can be taken by phone and fax or via our website: www.compomouldings.com

Discounts available:

30 + meters = 6 % 60 + meters = 12% 150 + meters = 17%
